Dear God,

Even though I may be distant I want to express my unshakeable gratitude for your constant presence in my life. Through every challenge and blessing my faith in You remains steadfast and unbroken.

Thank you for guiding me with love and wisdom for being a source of comfort and strength and for filling my heart with peace even in times of uncertainty. Your grace has been my anchor and I am deeply thankful for the unwavering support You provide.

Though I may not always feel close I know that Your presence surrounds me and my faith in You will never falter. I trust in Your plan and I am grateful for the unending love You give me each day.

***“Though I may be far my faith in God remains unshaken, constant and unwavering.”***

With all my heart,  
Your daughter
